Counties

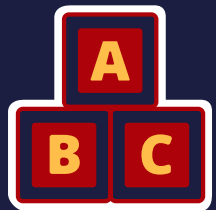

Start-up costs, fencing, heating,
windows, concrete repairs, shade,
fall zones, health and safety
licensing concerns

Funding High Priorities

Reaching Communities in Need

60% of awards were made
in child care deserts

Family child care homes
provide **critical access for**
infants and toddlers in
Colorado.

This program **addresses the**
declining number of licensed slots
within family child care homes
and **improves the quality** of home
based learning environments.
